Dear Mr. Dulles:

You were most kind in your letter of August 26, regarding the recent Governors' Conference at Puerto Rico, and I cannot tell you how delighted all of us were that you were able to participate in the meeting.

Your contribution to the program added materially to the success of the Conference. There were many favorable comments on your part of the program.

Whenever you are down this way, and I am delighted to know that you enjoy coming to Florida frequently, I hope you will plan your travel so that you are able to stop by Tallahassee for a visit. Mary Call and I would like nothing better than to have you as our guest at the Mansion, where I assure you we will do our best to help you forget, at least temporarily, some of the trials and tribulations which undoubtedly must accompany the important work you are doing.

With warmest regards, I am

Sincerely,

LeRoy Collins

Governor
